

LOCOMOTIVE WORKSHOP, SOUTH EVELEIGH

South Eveleigh's A grade, Locomotive Workshop building is one of the NSW's most significant heritage buildings. The adaptive re-use and redevelopment of the 1880's-built Locomotive Workshop, is expected to be completed in late-2021, and will comprise a combination of bespoke retail and approximately 23,000 square metres of modern infill office. The precinct is quickly emerging as a vibrant new destination for diverse dining, drinking, work, shopping and health & wellness. Independent supermarket, Romeo's Food Hall IGA, offers the ultimate convenience, while two Bodyfit gyms, a pilates studio, yoga studio and multi-purpose sports courts promote easy work-life balance.

Prime tenancy with exceptional exposure to Locomotive St, heritage features and A-grade services & facilities. With areas from 400 sqm.
