

WHOLE BUILDING IN VIBRANT CHIPPENDALE POCKET

Step inside one of the city's rarest gems - a breathtaking, reimagined church brimming with character and creative energy! Opportunities like this are almost mythical: a striking Gothic Revival masterpiece, now transformed into a unique urban headquarters, just a heartbeat from Central Station.

Envision your business thriving in these soaring, sunlit spaces where history meets innovation. Once a bustling bar, the building still boasts its original fit-out, including an impressive bar area, dramatic exposed timber beams, and those majestic, pitched ceilings that flood the upper floor with natural light. Original barn-style doors add a rustic touch, seamlessly blending old-world charm with modern flair.

Features include:

- Expansive 200 sqm layout spread across two levels
- Exquisitely restored Gothic Revival architecture, thoughtfully deconsecrated and elevated for today's creative minds
- Ground floor bar and inspired office fit-out above - ideal for
